Alexis:

We never could find comments back from Dave or the version John shared with Dave. Thus what is attached here is the version Mindy sent to John on December 20th and I have inserted Simma's proposed summary of FL's position.

I have added a few comment bubbles for your consideration and two bubbles requesting OGC citations.

We are awaiting the docket number and I will insert that here.

Can you please review this so John can send it to Dave on Monday. Dave will likely want OGC's input on this. I'm unsure who in OGC reviewed the December 20 version but the only difference is the addition of Simma's summary, updates of contact information.

Thanks for your quick review.
